DREAMERS PLAGUE Keith B. Gaydon,2012-08-20 The newspapers

are full of unexplained murders taking place everyday It seems the phrase Serial Killer is used to describe some of the various types of murderers who commit these hideous types of slayings When their killing finally ends with the police catching them what are some of the excuses these criminals use A voice told me to do it God spoke to me and said I must do it and the all time favorite Aliens from outer space are beaming their thoughts at me I was only protecting myself Dreamers

Plague takes this and asks what if it was true What if there was someone sharing your thoughts or a voice that really spoke in your mind What if night after night when you went to bed you shared someone else's dream Now suppose that you're the one sharing the dream and you became a part of their nightmare You could see through the others eyes feel what the other's person's hands touch every emotion they have you have

[The Coffey Files](#) Joseph Coffey, Jerry Schmetterer, 2016-08-16 A true crime account of the old school New York Police Department from the detective who helped catch the Son of Sam and waged a one man war against the Mafia In 1978 a gang war erupted in New York City and the five boroughs ran red with blood Men with names like Matty the Horse and Tony Ugly were found dismembered in garbage dumps dead on the roadside in the far reaches of the Bronx or suffocated in the trunks of cars parked at LaGuardia Airport For years the New York Police Department hadn't bothered to investigate Mafia murders preferring to let the mob handle its own bloody affairs but that was about to change The NYPD was going to war with the Cosa Nostra and Det Joseph Coffey would lead the charge A hard nosed veteran of the force Detective Coffey took down some of the highest profile organized crime associations of the 1970s from the conspiracy between the Mafia and the Catholic Church known as the Vatican Connection to the homegrown terrorists who called themselves the Black Liberation Army In 1977 when the city was terrorized by serial killer David Berkowitz better known as the Son of Sam Coffey led the NYPD's nighttime operations as they worked to lure the murderer into a trap But the war against the mob would be his greatest challenge one that would take him right into the heart of gritty dangerous NYC Cowritten by New York Daily News veteran Jerry Schmetterer Coffey's work is crime reporting at its finest Fans of the two fisted journalism of Jimmy Breslin and New York stories like The French Connection will find The Coffey Files has the thunderous intensity of a runaway subway train

[The Messiah Prophecy Murders](#) Charles LeRoy Janes, 2022-06-29 If Quentin Tarantino and Fyodor Dostoyevsky were to meet on a street in old St Petersburg and agree to collaborate on a story the Messiah Prophecy Murders is the story they would write Deep in war torn Poland in September 1939 a Red Army soldier about to execute a wounded Polish officer is brought to a trembling halt when he recognizes the officer as a boyhood friend's father who had been deeply generous to his own father when he was in desperate need of help to feed his impoverished family With the recollection of the father's acts of kindness the soldier hesitates fires a round harmlessly into the ground and whispers to the officer to lie still so that nearby soldiers who heard the shot will think their comrade did his duty and finished off the enemy officer The consequences of that act of mercy then caromed through time and space and the lives of the combatants and their progeny to land in a courtroom in Newport Rhode Island in a trial for murder in which the Polish officer's son Piotr Zaborski has been framed and betrayed by the soldier's son Nicolay Speshnev both of whom are naturalized U S citizens after having immigrated from Poland in their teens nearly thirty years earlier In the aftermath of the 9 11 attack on the World Trade Center the posh resort community of Newport was convulsed by the slayings of the stunningly beautiful daughters of three of its ultra wealthy Summer Colony families The features of the murders and the

evidence found at each of the crime scenes most notably a handwritten prophecy of Christ's Second Coming strongly suggest that the killer is driven by depraved religious compulsions and obsessions Suspicion falls heavily on Zaborski who years earlier while a novice at a nearby Benedictine monastery was expelled from the monastery for mysterious reasons Since his expulsion he has become a fixture on the streets of Newport known for his often homeless destitute and eccentric existence for his ostentatious and frequent public displays of intense religiosity and aggressive Pro Life advocacy and for his irrepressible habit of endlessly and seemingly aimlessly roaming the streets of Newport at all hours of the day and night dressed in filthy dumpster clothing embellished by an ever present outsized monk's rosary and crucifix draped conspicuously around his neck In the heated nearly hysterical atmosphere of Newport in the weeks after the murders the unsubstantiated accusations and inchoate suspicions directed at Zaborski harden into the conviction that he is the killer when law enforcement leaks to the media the text of the crime scene prophecies and the reports of forensic experts concluding that the prophecies were written in Zaborski's hand With public opinion howling for Zaborski's neck and with the summer tourist season fast approaching the city fathers mount a campaign of their own to pressure law enforcement into arresting Zaborski in the hope that with his arrest Newport will be able to return to its customary celebratory and pleasure seeking ways with crowded sun dappled beaches packed hotels and boisterous bars and restaurants The hope proves illusory however as the murder and mayhem continue even after Zaborski's arrest and incarceration pending trial From his perch as the maitre d of one of Newport's poshest waterfront restaurants the psychopathic but Armani sleek and charismatic Speshnev resumes his bloody siege of Newport which keeps the resort community in the grip of a crippling fear and dread Despite the further acts of violence while Zaborski is incarcerated the state relentlessly pursues its indictment against him Eventually it is only through the tenacious investigative efforts of Zaborski's pro bono but celebrated Boston defense counsel Anthony Caro and Caro's local Newport co counsel and love interest Maura Boyle that the long ago events in Poland are unearthed that lead to the evidence that wins Zaborski's acquittal at trial and to the arrest of Speshnev for the murders

Bloody Murder Michelle Ann Abate, 2013-03-01 Off with her head decreed the Queen of Hearts one of a multitude of murderous villains populating the pages of children's literature explored in this volume Given the long standing belief that children ought to be shielded from disturbing life events it is surprising to see how many stories for kids involve killing Bloody Murder is the first full length critical study of this pervasive theme of murder in children's literature Through rereadings of well known works such as Alice's Adventures in Wonderland the Nancy Drew Mystery Stories and The Outsiders Michelle Ann Abate explores how acts of homicide connect these works with an array of previously unforeseen literary social political and cultural issues Topics range from changes in the America criminal justice system the rise of forensic science and shifting attitudes about crime and punishment to changing cultural conceptions about the nature of evil and the different ways that murder has been popularly presented and socially interpreted Bloody Murder adds to the body of inquiry into America's ongoing fascination with violent

crime Abate argues that when narratives for children are considered along with other representations of homicide in the United States they not only provide a more accurate portrait of the range depth and variety of crime literature they also alter existing ideas about the meaning of violence the emotional appeal of fear and the cultural construction of death and dying
