Switchers Switchers 1 By Kate Thompson:

The Switchers Trilogy Kate Thompson, 2004 One of the best books of the year said the Guardian when Switchers was published and it received outstanding critical acclaim followed by great sales Kate Thompson went on to write two more unputdownable sequels *Midnight's Choice* and *Wild Blood* featuring *The New Policeman* Kate Thompson, 2006 Fifteen year old JJ Liddy is dismayed when he is told that his great grandfather was a murderer He discovers more than he expected when he sets out to find the truth *Switchers* Kate Thompson, 1999-09-15 When freakish weather grips the Arctic regions and moves southward an Irish girl and her strange companion save the world from disaster through their ability to switch into animal forms *Creature of the Night* Kate Thompson, 2009 From this multi award winning author comes a gritty hard hitting tale of disaffected youth but not without a hint of Kate Thompson's signature fantasy *The Fourth Horseman* Kate Thompson, 2011-06-30 The first time Laurie and her dad see the white rider watching them from the deep cool shadows of the trees he is alone Laurie is convinced that his appearance has a meaning that somehow he is trying to tell them something something her dad needs to pay attention to Is the rider somehow linked to the genetic research into squirrels that Laurie is helping her dad with in the lab When a second rider with a bloody sword appears alongside the first and then a third and a fourth Laurie knows she must try to understand who they are and what they represent With the help of her brother and his best friend she discovers what the riders mean but will it be too late to stop the inevitable chain of events that has been set in motion *Books Out Loud*, 2007 *The Last of the High Kings* Kate Thompson, 2012-09-30 JJ Liddy sometimes blames his unreliable temperament on the visit he made to Tir na n Og the land of eternal youth when he was fifteen years old It's perhaps not surprising that his children have also turned out to be a little eccentric especially eleven year old Jenny She forgets to go to school can't bear to wear shoes and spends entire days roaming the mountainside It's up there that she meets the ghost He is guarding a pile of rocks known as the beacon and when some archaeologists arrive to excavate it they run into the strangest kind of obstruction But it is not people the ghost fears and when the real enemy finally reveals itself the future of the entire human race is threatened Only Aengus Og and his fairy kin can help now *The White Horse Trick* Kate Thompson, 2010 It is the latter part of the 21st century and dramatic climate change has made life in Ireland almost impossible The last of the survivors in Clare are being rounded up by the local warlord and put to work in his labor camps Meanwhile Tir na n Og is faced with a refugee problem and the king of the fairies is not happy about it Jenny and her new friend the boy soldier Pup go over to Ireland to find out what is happening and to bring Aengus Og back home where he belongs But when it is revealed that the warlord who is behind the problem is a member of the Liddy family JJ is sent to sort him out But JJ is old now and his lifespan in Ireland has long since expired He can't return to Ireland by the usual route so like the ill fated Oisín before him he must resort to the white horse trick And unlike Oisín he must stay in the saddle if he is to have any chance of surviving the trip *The White Horse Trick* travels from the now to far distant futures from world's end to

world's beginning *Wanted!* Kate Thompson, 2012 Marcus is a young baker in ancient Rome When a slave boy shoves the reins of a sleek beautiful horse into Marcus hands seconds before he is killed by a soldier Marcus knows he's in danger because the horse is Incitatus the Emperor's prized animal Will Marcus find a way to keep Incitatus hidden **The**
