Kapoor, 2004-12 In the normal course of life we just tap a fraction of our total physical and mental energies With certain disciplines however we can tap our potential to a great extent Now realize the amazing strength of your body by practising martial arts the book reveals the techniques and secrets involved in Judo and Karate and helps you to become a performer By learning them you can floor any unarmed or even armed adversary and defend yourself In fact Judo Karate is the art of kick boxing practised in the traditional Chinese Shaolin Temple It was the most popular form of martial art presently practiced with an intent in sports arena Though it was meant to ward off the advances of the enemy warriors in ancient times it was also effectively practised to keep monks in good health and develop physical mental and spiritual coordination for better evolution of mind body spirit in the revered practice of Yoga Today this venerable art form has become a general principle of physical development and sport This basic book on Judo Karate will help you know the

rules and principles of the art and teach you most aspects of self defense Fully illustrated to help self learning it teaches you the positions and movements points of contact breathing techniques and many other secret techniques of Chinese Taoist yoga Great Treasures Abhay Kumar Dubey,1993 This book on Great Treasures is the 24th book in World Famous Series in English For centuries treasure hunting has remained an exciting and unending pursuit of enterprising enthusiasts who often risked their lives to solve the mysteries of hidden treasures On account of such enterprises today we know about the unearthing of the culture and lifestyles of many bygone civilisations In this book all topics are based on facts and history and include everything important since the evolution of universe and life The text is authentic and the language is lucid so that the reader unknowingly gets swayed into a new world of thrill without feeling the strain of reading The Tree of Life Israel Regardie,Chic Cicero,Sandra Tabatha Cicero,2000 Israel Regardie wrote The Tree of Life a book many consider his magnum opus in 1932 It has continued to sell for decades And no wonder Up until the time this book was published very little information about true high magic was available to the public In this book Regardie reveals the secrets of real magic He begins with an explanation of what magic is and just as importantly what magic is not He explains that it is a spiritual study and practice which along with forms of yoga forms the two branches of the tree that is mysticism Magic is not being a medium or a psychic Then he explains the tools of the magician what they mean and how to use them He explains the techniques of evocation and invocation skrying and astral travel He shows how the Qabalah unites everything He even gives a description of the secrets of sexual magick All of this is in a clear lucid writing style This book is simply a must for anyone who is or aspires to be a real magician Although Chic and Sandra Tabatha Cicero were friends of Regardie and are Senior Adepts of the Hermetic Order of the Golden Dawn what changes could they have made to this classic book Well they did change the spelling from British style to American And they did change his transliterations of Hebrew into the more popular style he used in his later books But nothing vital was changed or removed Everything else they added was complementary to the text that was there And what incredible additions they are Extensive annotations throughout every chapter over 100 illustrations more descriptive contents pages a glossary a bibliography and an index They ve even added a biographical note on Regardie and the importance of this book to him and to the occult world This book contains some of the finest occult writing that has ever been produced And with the new material by the Ciceros it becomes a must have for any magician
