Occult Features of Anarchism Erica Lagalisse,2019-02-01 In the nineteenth century anarchists were accused of conspiracy by governments afraid of revolution but in the current century various conspiracy theories suggest that anarchists are controlled by government itself The Illuminati were a network of intellectuals who argued for self government and against private property yet the public is now often told that they were and are the very group that controls governments and defends private property around the world Intervening in such misinformation Lagalisse works with primary and secondary sources in multiple languages to set straight the history of the Left and illustrate the actual relationship between revolutionism pantheistic occult philosophy and the clandestine fraternity Exploring hidden correspondences between anarchism Renaissance magic and New Age movements Lagalisse also advances critical scholarship regarding leftist attachments to secular politics Inspired by anthropological fieldwork within today s anarchist movements her essay challenges anarchist atheism insofar as it poses practical challenges for coalition politics in today s world Studying anarchism as a historical object Occult Features of Anarchism also shows how the development of leftist theory and practice within clandestine masculine public spheres continues to inform contemporary anarchist understandings of the political in which men s oppression by the state becomes the prototype for power in general Readers behold how gender and religion become privatized in radical counterculture a historical process intimately linked to the privatization of gender and religion by the modern nation state

Studies in Occultism: Kosmic mind - The dual aspect of wisdom Helena Petrovna Blavatsky,1895

What Is Occultism? Dion Fortune,2025-09-12 Offers the reader an in depth look at what occultism can be to the rational and well trained practitioner Fortune presents a clear discussion sweeping aside our

cultural assumptions and stereotypes She is able to place occultism in its proper place as a philosophy that employs scientific and rational methodology to explore the meaning of life while retaining religious overtones She reveals the heart of occult ethics and ideals that occult research seeks to aid people in achieving enlightenment
