

"A wonderfully entertaining and often spellbinding account of . . .
the process of mythification." —*The New York Times Book Review*

The Brontë Myth

LUCASTA MILLER

The Brontmyth By Lucasta Miller

Caitríona Ní Dhúill

The Brontmyth By Lucasta Miller:

The Brontë Myth Lucasta Miller, 2002 Since 1857 hardly a year has gone by without some sort of Bront biography appearing These range from pious accounts in Victorian conduct books to Freudian psychobiographies from plays films and ballets to tourist brochures and images on tea towels from sensation seeking penny a liners to meticulous works of sober scholarship Each generation has rewritten the Bront s to reflect changing attitudes towards the role of the woman writer towards sexuality towards the very concept of personality The Bront Myth gives vigorous new life to our understanding of the novelists and their culture and Lucasta Miller reveals as much about the impossible art of biography as she does about the Bront s themselves

The Bronte Myth Lucasta Miller, 2005-01-04 In a brilliant combination of biography literary criticism and history The Bront Myth shows how Charlotte Emily and Anne Bront became cultural icons whose ever changing reputations reflected the obsessions of various eras When literary London learned that Jane Eyre and Wuthering Heights had been written by young rural spinsters the Bront s instantly became as famous as their shockingly passionate books Soon after their deaths their first biographer spun the sisters into a picturesque myth of family tragedies and Yorkshire moors Ever since these enigmatic figures have tempted generations of readers Victorian Freudian feminist to reinterpret them casting them as everything from domestic saints to sex starved hysterics In her bewitching metabiography Lucasta Miller follows the twists and turns of the phenomenon of Bront mania and rescues these three fiercely original geniuses from the distortions of legend

The Brontes Patricia Ingham, 2014-06-11 The novels of Charlotte and Emily Bronte have become canonical texts for the application of twentieth century literary and cultural theory Along with the work of their sister Anne their texts are regarded as a sources of diversity in themselves full of conflictual material which different schools of criticism have analysed and interpreted This book shows how the Brontes writings engage with the major issues which dominate twentieth century theoretical work The essays are grouped under broad schools of theory biographical feminist marxist psychoanalytical and postcolonial

Metabiography Caitríona Ní Dhúill, 2020-03-09 This book explores the contradictions of biography It charts shifting approaches to the writing and reading of biographies from post hagiographical attitudes of the Enlightenment heroic biographies of Romanticism and irreverent modernist portraits through to contemporary experiments in politically committed and hybrid forms of life writing The book shows how biographical texts in fact destabilise the models of historical visibility cultural prominence and narrative coherence that the genre itself seems to uphold Addressing the fraught relationships between genre and gender private and public image and text life and narrative that play out in the modern biographical tradition Metabiography suggests new possibilities for reading writing and thinking about this enduringly popular genre

Women and Literary Celebrity in the Nineteenth Century Brenda R. Weber, 2016-02-11 Focusing on representations of women s literary celebrity in nineteenth century biographies autobiographical accounts periodicals and fiction Brenda R Weber examines the transatlantic cultural politics of visibility in relation to gender sex and the body Looking both at

discursive patterns and specific Anglo American texts that foreground the figure of the successful woman writer Weber argues that authors such as Elizabeth Gaskell Fanny Fern Mary Cholmondeley Margaret Oliphant Elizabeth Robins Eliza Potter and Elizabeth Keckley helped create an intelligible category of the famous writer that used celebrity as a leveraging tool for altering perceptions about femininity and female identity Doing so Weber demonstrates involved an intricate gender sex negotiation that had ramifications for what it meant to be public professional intelligent and extraordinary Weber s persuasive account elucidates how Gaskell s biography of Charlotte Bront served simultaneously to support claims for Bront s genius and to diminish Bront s body in compensation for the magnitude of those claims thus serving as a touchstone for later representations of women s literary genius and celebrity Fanny Fern for example adapts Gaskell s maneuvers on behalf of Charlotte Bront to portray the weak woman s body becoming strong as it is made visible through and celebrated within the literary marketplace Throughout her study Weber analyzes the complex codes connected to transatlantic formations of gender sex the body and literary celebrity as women authors proactively resisted an intense backlash against their own success

A Companion to the Brontës Diane Long Hoeveler, Deborah Denenholz Morse, 2016-04-04 A Companion to the Brontës brings the latest literary research and theory to bear on the life work and legacy of the Bront family Includes sections on literary and critical contexts individual texts historical and cultural contexts reception studies and the family s continuing influence Features in depth articles written by well known and emerging scholars from around the world Addresses topics such as the Gothic tradition film and dramatic adaptation psychoanalytic approaches the influence of religion and political and legal questions of the day from divorce and female disinheritance to worker reform Incorporates recent work in Marxist feminist post colonial and race and gender studies

The Brontës in the World of the Arts Sandra Hagan, Juliette Wells, 2016-12-05 Although previous scholarship has acknowledged the importance of the visual arts to the Bront s relatively little attention has been paid to the influence of music theatre and material culture on the siblings lives and literature This interdisciplinary collection presents new research on the Bront s relationship to the wider world of the arts including their relationship to the visual arts The contributors examine the siblings artistic ambitions productions and literary representations of creative work in both amateur and professional realms Also considered are re envisionings of the Bront s works with an emphasis on those created in the artistic media the siblings themselves knew or practiced With essays by scholars who represent the fields of literary studies music art theatre studies and material culture the volume brings together the strongest current research and suggests areas for future work on the Bront s and their cultural contexts

Odisea nº 17 Carmen García Navarro, 2017-07-27 Revista de Estudios Ingleses es un anuario dirigido y gestionado por miembros del Departamento de Filología Inglesa y Alemana de la Universidad de Almería con el propósito de ofrecer un foro de intercambio de producción científica en campos del conocimiento tan diversos como la lengua inglesa literatura en lengua inglesa didáctica del inglés traducción del inglés para fines específicos y otros igualmente vinculados a los estudios ingleses

Women Reviewing Women in Nineteenth-Century Britain Joanne Wilkes, 2016-02-17 Focusing particularly on the critical reception of Jane Austen Charlotte Bront and George Eliot Joanne Wilkes offers in depth examinations of reviews by eight female critics Maria Jane Jewsbury Sara Coleridge Hannah Lawrance Jane Williams Julia Kavanagh Anne Mozley Margaret Oliphant and Mary Augusta Ward What they wrote about women writers and what their writings tell us about the critics own sense of themselves as women writers reveal the distinctive character of nineteenth century women s contributions to literary history Wilkes explores the different choices these critics writing when women had to grapple with limiting assumptions about female intellectual capacities made about how to disseminate their own writing While several publishing in periodicals wrote anonymously others published books articles and reviews under their own names Wilkes teases out the distinctiveness of nineteenth century women s often ignored contributions to the critical reception of canonical women authors and also devotes space to the pioneering efforts of Lawrance Kavanagh and Williams to draw attention to the long tradition of female literary activity up to the nineteenth century She draws on commentary by male critics of the period as well to provide context for this important contribution to the recuperation of women s critical discourse in nineteenth century Britain The Brontës in Context Marianne Thormählen, 2012-11-01 Very few families produce one outstanding writer The Bront family produced three The works of Charlotte Emily and Anne remain immensely popular and are increasingly being studied in relation to the surroundings and wider context that formed them The forty two new essays in this book tell the Bront story as it has never been told before drawing on the latest research and the best available scholarship while offering new perspectives on the writings of the sisters A section on Bront criticism traces their reception to the present day The works of the sisters are explored in the context of social political and cultural developments in early nineteenth century Britain with attention given to religion education art print culture agriculture law and medicine Crammed with information The Bront s in Context shows how the Bront s fiction interacts with the spirit of the time suggesting reasons for its enduring fascination Fatherhood, Authority, and British Reading Culture, 1831-1907 Melissa Shields Jenkins, 2016-04-15 During a period when the idea of fatherhood was in flux and individual fathers sought to regain a cohesive collective identity debates related to a father s authority were negotiated and resolved through competing documents Melissa Shields Jenkins analyzes the evolution of patriarchal authority in nineteenth century culture drawing from extra literary and non narrative source material as well as from novels Arguing that Victorian novelists reinvent patriarchy by recourse to conduct books biography religious manuals political speeches and professional writing in the fields of history and science Jenkins offers interdisciplinary case studies of Elizabeth Gaskell George Meredith William Makepeace Thackeray George Eliot Samuel Butler and Thomas Hardy Jenkins s book contributes to our understanding of the part played by fathers in the Victorian cultural imagination and sheds new light on the structures underlying the Victorian novel **Screening the Author** Hila Shachar, 2019-06-01 This book is the first comprehensive analysis of the contemporary representation of the

author on screen It does this through two main approaches by looking at how biographies of well known authors in Western culture have been adapted onto the film and television screen and by examining the wider preoccupation with the idea of what the author persona means in broader economic cultural industrial and ideological terms Drawing from current debates about the uses of the heritage industry and conventions of the Hollywood biopic and celebrity culture this book re frames the analysis of the author on screen in contemporary culture and theorises it under its own unique genre the literary biopic With case studies including adaptations of the biographies and cultural personas of William Shakespeare Jane Austen Oscar Wilde Sylvia Plath Virginia Woolf and Allen Ginsberg to name a few this book examines how and why the author continues to be a prominent screen and cultural preoccupation *The Edinburgh Companion to the Brontes and the Arts* Amber K.

Regis, Deborah Wynne, 2024-12-31 The Bronte family produced and consumed art across a range of media and genres Haworth Parsonage and the local region proved a crucible of inspiration not only for Charlotte Branwell Emily and Anne but also for their parents Here were fostered the creative ambitions of four of the nineteenth century s most provocative novelists poets and visual artists In turn the Brontes now sustain heritage tourism and creative industries that adapt and disseminate their lives and work their likenesses and words across the globe in books on a plethora of screens film TV computer and phone in discarnate audio radio and podcasts and embodied on stage The essays collected here offer the first panoramic and sustained examination of the Brontes lives work and legacies in relation to the visual musical plastic and performing arts tracing their influences and transformations across the lives and cultural afterlives of this extraordinary literary family **English Writers** B. A. Sheen, 2004 English Writers A Bibliography with Vignettes **Rewriting the**

Victorians Andrea Kirchknopf, 2013-05-28 The 19th century has become especially relevant for the present as one can see from for example large scale adaptations of written works as well as the explosion of commodities and even interactive theme parks This book is an introduction to the novelistic refashionings that have come after the Victorian age with a special focus on revisions of Charlotte Bronte s Jane Eyre and Charles Dickens s Great Expectations As post Victorian research is still in the making the first part is devoted to clarifying terminology and interpretive contexts Two major frameworks for reading post Victorian fiction are developed the literary scene authors readers critics and the national identity political and social aspects Among the works examined are Caryl Phillips s Cambridge Matthew Kneale s English Passengers Peter Carey s Oscar and Lucinda and Jack Maggs Lloyd Jones s Mister Pip Jean Rhys s Wide Sargasso Sea D M Thomas s Charlotte and Jasper Fforde s The Eyre Affair **The Badass Brontës** Jane Satterfield, 2023-01-15 In blazing poems of biography and reinvention Jane Satterfield s The Badass Bront s explores the lives and afterlives of sisters Emily Charlotte and Anne hellbent at books meanwhile Charlotte faces the primal trauma that robbed the sisters of their mother when she confronts the reality of her own fatal pregnancy Here are treasures galore from poems that reflect Emily s status as a proto environmentalist whose rescued hawk Nero is a source of joy and grief to further channelings of the Bront sisters sensitivity

to fragile landscapes and the more than human world For longtime Brontë fans and newcomers alike *The Badass Brontës* is a poetic tour de force that remixes and reinvents the lives afterlives and creative achievements of three extraordinary women whose influence continues to be felt

The Victorians Since 1901 Miles Taylor, Michael Wolff, 2004-09-04 Over a century after the death of Queen Victoria historians are busy re appraising her age and achievements However our understanding of the Victorian era is itself a part of history shaped by changing political cultural and intellectual fashions Bringing together a group of international scholars from the disciplines of history English literature art history and cultural studies this book identifies and assesses the principal influences on twentieth century attitudes towards the Victorians Developments in academia popular culture public history and the internet are covered in this important and stimulating collection and the final chapters anticipate future global trends in interpretations of the Victorian era making an essential volume for students of Victorian Studies

The Shelleyan Brontës J. E. Young, 2024-05-26 This book explores the significant textual relationship between Mary and Percy Shelley and the early works of the Brontë siblings Through a detailed examination of the Shelleyan narrative accessible to the Brontës from their childhood to their final novels this study argues for a fresh perspective on the Brontës engagement with the Shelleys in both their juvenilia and later seven novels In this respect the book considers the Brontës as readers rather than exclusively as writers viewing them as a product of the early nineteenth century literary marketplace which maintained affinities to Romanticism Reading rewriting and appropriating the textual Shelleys was a fundamental vein stemming the Brontës writing from childhood with Mary epitomising the model for what the sisters would eventually become the female novelist

Women's Writing and Mission in the Nineteenth Century Angharad Eyre, 2022-11-30 Until now the missionary plot in Charlotte Brontës *Jane Eyre* has been seen as marginal and anomalous Despite women missionaries being ubiquitous in the nineteenth century they appeared to be absent from nineteenth century literature As this book demonstrates though the female missionary character and narrative was in fact present in a range of writings from missionary newsletters and life writing to canonical Victorian literature New Woman fiction and women's college writing Nineteenth century women writers wove the tropes of the female missionary figure and plot into their domestic fiction and the female missionary themes of religious self sacrifice and heroism formed the subjectivity of these writers and their characters Offering an alternative narrative for the development of women writers and early feminism as well as a new reading of *Jane Eyre* this book adds to the debate about whether religious women in the nineteenth century could actually be radical and feminist

The Brontës and War Emma Butcher, 2019-12-03 This book explores the representations of militarism and masculinity in Charlotte and Branwell Brontës youthful writings It offers insight into how the siblings understood and reimagined conflict both local and overseas and its emotional legacies whilst growing up in early nineteenth century Britain Their writings shed new light on a period little discussed by social and military historians providing not only a new approach to Brontë Studies but also acting as a familial case study for how the media captivated and

enticed the public imagination

The Brontmyth By Lucasta Miller Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading The Brontmyth By Lucasta Miller free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading The Brontmyth By Lucasta Miller free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading The Brontmyth By Lucasta Miller free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading The Brontmyth By Lucasta Miller. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users

should always be cautious and verify the legality of the source before downloading The Brontmyth By Lucasta Miller any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About The Brontmyth By Lucasta Miller Books

1. Where can I buy The Brontmyth By Lucasta Miller books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
