Wilkerson, Elisabeth Sherrill, 1963 David Wilkerson Gary Wilkerson, R. S. B. Sawyer, 2014-09-02 How did one man's unshakable faith shape the future of thousands struggling to break free from the grip of addiction poverty and sin Join Gary Wilkerson as he shares a never before seen look at the incredible life and legacy of his father bestselling author and evangelist David Wilkerson This book tells the story of David Wilkerson a man who refused to give up on those on the streets even when they had given up on themselves and who saw in the eyes of drug addicts and gang members what others failed to see the unconditional love of Jesus Christ But who was David Wilkerson When Wilkerson moved to New York from rural Pennsylvania in 1958 to confront the gangs who ran the streets he was a skinny 120 pound man After the initial publicity that brought him face to face with some of the most dangerous young men in the city he largely flew under the radar of the media using the Word of God and a bit of tough love to help men and women of the street escape the destructive spiral of drugs and violence Wilkerson was always the real deal full of passion and conviction not interested in what others said was the right thing to do An evangelist both in America and overseas David authored books that inspired people to be serious about their relationship with Christ His financial generosity reached around the globe providing homes for the destitute and feeding programs for the hungry When he founded the Times Square Church in 1987 his ministry impacted more lives than he ever dreamed possible Throughout David Wilkerson you'll be inspired by The life changing power of faith What it means to trust God wholeheartedly The importance of following your true God given calling David was a man of faith who trusted God would give him what he needed to enter a cruel world a man of conviction who took the dream God gave him and marched forward without ever looking back As you come to know David's story you'll learn to see the world the way he did through the lens of eternity **The Cross and the Switchblade** David R. The Child's Song Donald Capps,1995-01-01 Theological ideas and biblical injunctions have frequently been employed to legitimate the physical abuse of children Some theological ideas are inherently abusive because they create fear in a child's mind causing a child to feel alone odd and of little worth Donald Capps exposes the abuses that theology and the Bible have inflicted on vast numbers of children In particular he is concerned with the hidden abuses of children by well intentioned adults and the role that religion plays in the legitimation of these abuses It Is Finished David Wilkerson,2013-04-01 Founder of Teen Challenge Shows How to Overcome Persistent Sins This is David Wilkerson's capstone teaching poured out from a heart that discovered the power God has given his people to triumph over sin Through Wilkerson's expert ability to blend teaching with personal application he shows that the key to defeating life controlling habits is found in one thing the new covenant God enacted with his people In today's era of pop psychology most Christians battle temptation and sin through self help techniques or gritty self will Even Wilkerson through decades of ministry that led hundreds of thousands to salvation and deliverance struggled to know true peace as he battled his own besetting sins Determined to find victory Wilkerson came to grasp the stunning reality that the vast love of God provides the spiritual resources believers need to obey his every command Gathered from some of his most prominent sermons this is one of Wilkerson's most powerful teachings one that will redeem countless lives into the life giving experience of purity **God's Forever Family** Larry Eskridge,2013-05-31 The Jesus People were an unlikely combination of evangelical Christianity and the hippie counterculture God's Forever Family is the first major examination of this phenomenon in over thirty years It shows that the Jesus People not only helped create a new engaged evangelical relationship to youth and popular culture but proved to be a major force in reshaping a resurgent evangelical movement **An Introduction to Pentecostalism** Allan Heaton Anderson,2013-10-24 Pentecostalism has become the fastest growing Christian movement particularly outside Europe and Allan Heaton Anderson is one of the foremost scholars of this phenomenon His innovative interpretation of Pentecostalism focuses on the serious contribution made by both western and Majority World participants in its development In this second edition of his leading introductory course book Anderson presents an updated global history of the movement which addresses significant events and changes in recent years and surveys important theoretical issues such as gender and society as well as politics and economics The book also offers a comprehensive explanation of the significance of Charismatic Christianity throughout the

Samson and the Pirate Monks Nate Larkin,2007-02-18 With no holds barred honesty and poignant storytelling Nate Larkin introduces a model of community and friendship that is reinvigorating men s ministry across the country a model he calls The Samson Society Too many men see the biblical hero Samson as their model for manhood a rugged individualist of the highest order Yet Samson s solitary successes were eventually overcome by moral weaknesses Larkin through the story of his own past and the stories of those in The Samson Society offers a radical refreshing alternative **Vows** Peter

Manseau,2006-10-17 In this multi generational tale of a family s unshakeable faith the author tells his parents courageous story as a priest and a former nun who wed and deftly weaves how their decision has affected his own spiritual journey of photos Becoming a Christian Ola Hossjer,2018-02-21 What influences the decision to become a Christian In the

seventeenth century the famous scientist Blaise Pascal viewed this as a game with truth our adversary Pascal argued that we are in the game whether we like it or not Christianity is either true or not and we have to weigh the two alternatives According to Pascal s Wager we have everything to win and nothing to lose by taking a leap of faith and becoming a Christian In this book Ola H ssjer extends Pascal s Wager and argues that we respond to the Christian message very differently There are three main attitudes among people the first group follows Pascal s advice even if evidence before the decision is incomplete the second group requires convincing evidence at first and members of the third group will not become Christians regardless of evidence H ssjer contends that the decision consists of three components a religious disposition from birth evidence and a willingness to act Although we weigh evidence and will differently our priorities may change after a life crisis so that we either reevaluate evidence or become more positive toward Christianity This is illustrated by a number of people who became Christians *Encyclopedia of Evangelicalism* Randall Herbert Balmer,2004 In this completely revised and

expanded edition of the Encyclopedia of Evangelicalism Randall Balmer gives readers the most comprehensive resource about evangelicalism available anywhere With over 3 000 separate entries the Encyclopedia of Evangelicalism covers historical and contemporary theologians preachers laity cultural figures musicians televangelists movements organizations denominations folkways theological terms events and much more all penned in Balmer s engaging style Students scholars journalists and laypersons will all benefit from Balmer s insights
