The Five Gates Of Hell By Rupert Thomson:

The Five Gates of Hell Rupert Thomson, 2012-08-30 There were very few land burials in Moon Beach It was considered old fashioned unhealthy and something that only happened to the poor Instead the dead were buried in ocean cemeteries twelve miles out A special festival was held every year in their honour Children loved it They were given white chocolate bones marzipan skulls and ice cream coffins on a stick There were costume parties too You had to wear something blue because that was the colour people went when they were buried under the sea You could paint your hands and face if you liked or even dye your hair That s what people did in Moon Beach Turned blue once a year And then they turned blue forever
