Duped Me, O Lord Hugh Duffy, 2025-06-12 In this engaging memoir Father Hugh Duffy chronicles his more than fifty year journey as a Catholic priest revealing the complex and often painful struggle between his vocation to serve the gospel and navigating the institutional church From his early days establishing charitable programs in Ireland to his later years visiting parishes across America he unflinchingly examines how the church's institutional structure can often work against its own mission to maintain gospel values Through vivid personal accounts he reveals his battles against corruption false accusations and abuse of power while retaining his unwavering commitment to serve those in need The title drawn from the prophet Jeremiah's lament reflects Duffy's own wrestling with a calling that led him along unexpected and challenging paths This is not merely a critique but rather a heartfelt plea for reform and renewal Written with both candor and compassion this memoir offers an insider's perspective on the Catholic Church's internal conflicts while pointing forward toward hope for its future The story speaks to anyone who has ever found themselves caught between institutional power and their deepest
