on many levels He did not look the part play the game or conform to any rules but Leonard touched hearts and minds all over the world while writing some remarkable songs including Hallelujah and Suzanne Focusing equally on his popular early albums the more experimental mid period and his final late career renaissance this book analyses and interprets every album and every individual song to shed light on the phenomenon of Leonard Cohen The Author Opher Goodwin is the author of many books on rock music and science fiction and taught the first History of Rock Music classes in the UK He was fortunate to spend the sixties in London the epicentre for the underground explosion of rock music and culture where he was able to see everyone from Pink Floyd Hendrix and Cream to The Doors Captain Beefheart and Roy Harper He now lives happily in East Yorkshire UK *The Encyclopedia of Popular Music* Colin Larkin,2011-05-27 This text presents a comprehensive and up to date reference work on popular music from the early 20th century to the present day **Leonard Cohen on Leonard Cohen** Jeff Burger,2014-04-01 A treasure trove for Leonard Cohen fans the dazzling wide ranging collection of interviews that Jeff Burger has unearthed not only offers the songwriter s story in his own words but reveals that Cohen s language in conversation can be every bit as magnificent as his lyrics Alan Light author of *The Holy or the Broken* This book collects more than fifty interviews with Leonard Cohen one of the most admired performers of the last half century conducted worldwide between 1966 and 2012 and also includes a foreword by singer Suzanne Vega and eight pages of rarely seen photos In it the artist talks about Bird on the Wire Hallelujah Famous Blue Raincoat and his other classic songs He candidly discusses his famous romances his years in a Zen monastery his ill fated collaboration with producer Phil Spector and his long battle with depression He also comments on his sometimes controversial poetry and novels the financial crisis that nearly wiped out his savings and his remarkable late career resurgence Here you ll find interviews that first appeared in the New York Times and Rolling Stone but also conversations that have not previously been printed in English as well as many illuminating reminiscences that contributors supplied specifically for this definitive anthology Jeff Burger is the editor of *Springsteen on Springsteen* He has contributed to Barron s Family Circle GQ the Los Angeles Times Reader s Digest and more than seventy five other magazines newspapers and books He lives in Ridgewood New Jersey *Summary of Sylvie Simmons's I'm Your Man* Everest Media,2022-05-13T22:59:00Z Please note This is a companion version not the original book
