The Good Man Jesus And The Scoundrel Christ By Philip Pullman:

Good Man Jesus & The Scoundrel Christ Pullman,2010-04 In this ingenious and spellbinding retelling of the life of Jesus Philip Pullman revisits the most influential story ever told He offers a radical new take on the myths and mysteries of the gospels and of the church that has shaped the course of the last two millennia Charged with mystery compassion and enormous power The Good Man Jesus and the Scoundrel Christ throws fresh light on who Jesus was and asks the reader questions that will continue to reverberate long after the final page is turned For above all this book is about how stories become stories The Good Man Jesus and the Scoundrel Christ Philip Pullman,2010-04-20 A retelling of the life of Jesus

charged with mystery compassion and enormous power **Philip Pullman's Jesus** Gerald O'Collins,2011 With The Good Man Jesus and the Scoundrel Christ Philip Pullman issues a serious challenge to the reader to look again at the Gospels and ask whether or not it is reasonable to believe what the New Testament and the Church teach about the founder of

Christianity In Philip Pullman s Jesus Gerald O Collins takes up that challenge with authority passion and flair **Philip Pullman** Laura La Bella,2013-12-15 Philip Pullman is an award winning author perhaps best known for his epic trilogy His Dark Materials one of the few fantasy classics to feature a strong female central protagonist Pullman is a creator of new worlds and the captain of adventures spinning intricate and fantastical yarns His life story is every bit as fascinating as the tales he has created from life transforming them with storytelling magic into classics of fantasy literature This is the life story of a master storyteller and readers will receive a privileged glimpse into the mind and working methods of a creative genius This supports Common Core standards for the reading of biographies , Beyond His Dark Materials Susan Redington

Bobby,2012-09-18 Beyond the His Dark Materials series lies a vast fictional realm populated by the many diverse character creations of Philip Pullman During a more than 30 year career Pullman has created worlds filled with quests trials tragedies and triumphs and this book explores those worlds The picture books novellas and novels written for children adolescents and adults are analyzed through the themes of innocence and experience The journeys Pullman sets his characters on teach them that one must embrace change loss and suffering to grow in wisdom and grace *Jesus in an Age of Enlightenment*

Jonathan C. P. Birch,2019-07-18 This book explores the religious concerns of Enlightenment thinkers from Thomas Hobbes to Thomas Jefferson Using an innovative method the study illuminates the intellectual history of the age through interpretations of Jesus between c 1650 and c 1826 The book demonstrates the persistence of theology in modern philosophy and the projects of social reform and amelioration associated with the Enlightenment At the core of many of these projects was a robust moral theological realism sometimes manifest in a natural law ethic but always associated with Jesus and a commitment to the sovereign goodness of God This ethical orientation in Enlightenment discourse is found in a range of different metaphysical and political identities dualist and monist progressive and radical which intersect with earlier heretical tendencies in Christian thought Arianism Pelagianism and Marcionism This intellectual matrix helped to produce

the discourses of irenic toleration which are a legacy of the Enlightenment at its best American Theological Inquiry, Volume Three, Issue Two Gannon Murphy, 2010-08-01 American Theological Inquiry ATI reaches thousands of Christian scholars clergy and other interested parties primarily in the U S And U K The journal was formed in 2007 by Gannon Murphy PhD Theology Univ Wales Lampeter Presbyterian Reformed and Stephen Patrick PhD Philosophy Univ Illinois Eastern Orthodox to open up space for Christian scholars who affirm the Ecumenical Creeds to contribute research throughout the broader Christian scholarly community in America And The West The purpose of ATI is to provide an inter tradition forum for scholars who affirm the historic Ecumenical Creeds of Christendom to constructively communicate contemporary theologies developments ideas commentaries and insights pertaining to theology culture and history toward reforming and elevating Western Christianity ATI seeks a critical function as much or more so as a quasi ecumenical one The purpose is not to erase or weaken the distinctives of the various ecclesial traditions but to widen the dialogue and increase inter tradition understanding while mutually affirming Christ s power to transform culture And The importance of strengthening Western Christianity with special reference to Her historic creedal roots Theologians would be theologians And The theologically attentive will want to check out American Theological Inquiry Richard John Neuhaus 1936 2009 First Things **Erfahren, Erzählen, Erinnern: Narrative Konstruktionen von Gedächtnis und Generation in Antike und Mittelalter** Hartwin Brandt, 2012 **The Evil That Men Do** Marcus Paul, 2016-03-01 This book considers the Church s past failings and fills a gap in our understanding of what it means to be a Christian in the twenty first century **Rowan Williams** Andrew Goddard, 2013-01-02 Rowan Williams has served as Archbishop of Canterbury through one of the most turbulent periods in the history of global Anglicanism He has also faced numerous challenges within the Church of England How has he coped with the huge issues of a divided church and a rapidly changing world What has he done as archbishop when parts of the church are campaigning for an inclusive church with gay partnered clergy and women bishops while others are determined to resist these developments How has he related to other Christian traditions and those of other faiths What has he said about the Iraq war the financial crash Sharia Law In this fascinating assessment Andrew Goddard surveys Archbishop Rowan s time in office Goddard draws on Williams speeches and writings as well as interviews and comments from those who have worked with him This book shows the pressures faced by an academic scholar who only took on this demanding role because he believed it to be God s call What sort of leader has he been and what sort of legacy does he leave for his successor Justin Welby *Turning the Wheel* Kevan Manwaring, 2011-11-25 The frisky Oss appeared the dancers and drummers in a kind of shamanic trance induced by a day of drumming dancing and beer They were wilder than ever the atmosphere was positively Bacchanalian and I felt we had all become lost in a kind of collective folk consciousness On two wheels across Britain Bard on a Bike Kevan Manwaring searches out the places and people who mark the seasons and cycles in their own special way in ceremonies and festivals both private and public large and intimate ancient and modern Along the way he experiences and

C. Grayling, 2015-06-02 The Wiley Blackwell Handbook of Humanism presents an edited collection of essays that explore the nature of Humanism as an approach to life and a philosophical analysis of the key humanist propositions from naturalism and science to morality and meaning Represents the first book of its kind to look at Humanism not just in terms of its theoretical underpinnings but also its consequences and its diverse manifestations Features contributions from international and emerging scholars plus renowned figures such as Stephen Law Charles Freeman and Jeaneane Fowler Presents Humanism as a positive alternative to theism Brings together the world s leading Humanist academics in one reference work **Transfiguring Transcendence in Harry Potter, His Dark Materials and Left Behind** Mike Gray, 2013-10-23 Three recent and commercially successful series of novels employ and adapt the resources of popular fantasy fiction to create visions of religious identity J K Rowling s Harry Potter books Phillip Pullman s Dark Materials and Tim LaHaye and Jerry Jenkins Left Behind series The act of creating fantasy counter worlds naturally involves all three stories in the creation of what Mike Gray terms transfigurations of transcendence hopeful albeit paradoxical encodings of the ambiguous non observable reality whose primary locus in modern society is the societally extra systemic human individual Popular fantasy fiction turns out to involve acts of world creation that are inherently religious and inherently paradoxical A substantive examination shows that all three are involved in more or less intentional re narrations of traditional Christian beliefs and narratives The atheist His Dark Materials series does not deny but re imagines the Christian visions of selfhood the traditionalist Left Behind series does not simply replicate but modifies its own declared values the apparent secularity of the Harry Potter series is shaped by its creative reception of Christian patterns and narratives While the stories visions of selfhood clearly clash the basic paradoxes involved in their struggle to articulate transcendence expose significant parallels and a productive conversation with the Christian tradition It is not simply that popular fantasy fiction is theologically relevant the Christian Heilsgeschichte too

proves to be highly relevant in popular culture However while far from obsolescent models of religious identity in contemporary society require criticism and creativity and as evinced most powerfully in the Harry Potter stories a flair for constructive engagement with paradox

The Two Faces of Christianity Richard Markham Oxtoby, 2014-08-29 Applying Eric Fromm's concept of the differences between Humanistic and Authoritarian religions The Two Faces of Christianity proposes that Christianity consists of two distinctly different religions which co exist under the same verbal label The ethical teachings of that inspired Jewish religious genius Jesus of Nazareth which has traditionally been believed to be the core around which the religion of Christianity has been built constitute a Humanistic Religion In many parts of the Christian Church the tenets of that religion have all but disappeared under the spreading influence of the salvation theology of St Paul and his fellow travellers Examination of the guilt ridden mind of St Paul to whom the authorship of nearly half of the 27 books of the New Testament has been attributed throws revealing light on how this process has taken place Paul's notoriously neurotic anxieties about sex are just one of the more striking manifestations of the psychopathology of his split personality which has been a major influence in the process by which the Humanistic religion of Jesus has been transformed into an oppressive Authoritarian one

Heilige Texte Mirja Kutzer, Ilse Müllner, Annegret Reese-Schnitker, 2023-01-11 Heiligen Texten kommt in vielen Religionen entscheidende Bedeutung zu Gleichwohl unterscheiden sich die Zugänge sowohl innerhalb als auch zwischen den einzelnen Religionen In welchen Prozessen wird einem Text Heiligkeit zugesprochen und woran wird diese festgemacht Wie ist mit der Spannung von Pluralität und Einheit in den Schriften umzugehen Was resultiert daraus für die AdressatInnen des Textes bezüglich seiner Rezeption und Vermittlung Durch die Auseinandersetzung mit der Vermittlung von Heiligem und Profanem Fragen der Identität sowie feministischen Ansätzen greift der Band aktuelle Forschungsdiskurse auf In seinen Beiträgen verschränken sich theologische und kulturwissenschaftliche Perspektiven und zeigen die Fruchtbarkeit dieser Verflechtung für den Austausch von Christentum Judentum und Islam Darin ist er der erste einer Reihe von drei Bänden in denen es weiter um heilige Räume und heilige Zeiten gehen wird

Scorsese and Religion Christopher B. Barnett, Clark J. Elliston, 2019-09-16 Scorsese and Religion concerns the religious vision of the great American filmmaker Martin Scorsese Not only will this volume explore the foundation of Scorsese's interest in religion namely his relation to the Catholic Church but it will also highlight the religious breadth of Scorsese's corpus Ultimately this book demonstrates that Scorsese's cinematic representation of reality brings together various religious influences Catholicism existentialism Buddhism etc and topics such as violence morality nihilism and so on The overarching claim is that Scorsese who indeed once claimed that his whole life had been movies and religion cannot be properly understood without reflecting on the ways in which his religious interests are expressed in and through his art

The Routledge Companion to Biofiction Lucia Boldrini, Laura Cernat, Alexandre Gefen, Michael Lackey, 2025-03-31 The Routledge Companion to Biofiction provides readers with the history origins and evolution of this popular genre Featuring contributions from leading scholars in the field

It will be essential reading for students as well as advanced scholars interested in biographical fiction.

Make-Believe David Dickinson, 2020-01-01. I will tell you a story that will make you believe in God. No story can guarantee being able to do this. Yet novelists can tell stories that make us think about what we believe about God and why. Despite repeated predictions of the death of the novel, thousands of works of fiction are published and read in Britain each year. Although Western society is less religiously observant than it was many 21st century novelists persist in pursuing theological, religious and spiritual themes. *Make Believe* seeks to explain why. With chapters offering analyses of novels from several genres: so-called literary fiction, historical fiction, science fiction, fantasy and dystopia, David Dickinson discusses a wide spectrum of novelists. Both those who are avowedly atheistic and those who have a vested interest in perpetuating biblical stories feature. Well-known writers such as Rushdie, McEwan, McCarthy and Martell rub shoulders with some you may be meeting for the first time. Appealing to literature students and people who simply enjoy reading, whether Christian or not, this study of God in novels invites us to open our minds and allow aspects of our culture to shape our understanding of God and to change our ways of talking about the divine.
