Meylink, 25 april tot 4 mei 1864** Martinus Nijhoff (Den Haag), 1864 **Top Ten Fictional Narratives in Early Modern Europe** Rita Schlusemann, Helwi Blom, Anna Katharina Richter, Krystyna Wierzbicka-Trwoga, 2023-10-24 This volume examines the ten most popular fictional narratives in early modern Europe between 1470 and 1800 Each of these narratives was marketed in numerous European languages and circulated throughout several centuries Combining literary studies and book history this work offers for the first time a transnational perspective on a selected text corpus of this genre It explores the spatio temporal transmission of the texts in different languages and the materiality of the editions the narratives were bought sold read translated and adapted across European borders from the south of Spain to Iceland and from Great Britain to Poland Thus the study analyses the multifaceted processes of cultural circulation translation and adaptation of the texts In their diverse forms of mediality such as romance drama ballad and penny prints they also make a significant contribution to a European identity in the early modern period The narrative texts examined here include Apollonius Septem sapientum Amadis de Gaula Fortunatus Pierre de Provence et la belle Maguelonne Melusine Griseldis Aesopus Life and Fables Reynaert de vos and Till Ulenspiegel *The Greatest Films Never Seen* Claudy Op den Kamp, 2025-10-01 Orphan works or artworks for which no copyright holder is traceable pose a growing problem for museums archives and other heritage institutions As they come under more and more pressure to digitize and share their archives they are often hampered by the uncertain rights status of items in their collections The Greatest Films Never Seen The Film Archive and the Copyright Smokescreen uses the prism of copyright to reconsider human agency and the politics of the archive and asks what the practical implications are for educational institutions the creative industries and the general public **Pyttersen's Nederlandse Almanak 2013** Alice Garritsen, 2012-10-29 In de Pyttersen s Nederlandse Almanak worden in vogelvlucht particuliere overheids en semi overheidsorganisaties en instellingen beschreven die ten minste een supralokaal belang dienen en primair een not for profit doel nastreven De beschreven organisaties en instellingen staan geordend op werkgebied en worden ontsloten door een uitgebreid register U kunt de Pyttersen s Nederlandse Almanak ook online raadplegen met als voordeel dat diverse categorieën geselecteerd kunnen worden Voor meer informatie zie www.bsl.nl *Domestic Devotions in Medieval and Early Modern Europe* Salvador Ryan, 2020-05-28 Domestic devotion has become an increasingly important area of research in recent years with the publication of a number of significant studies on the early modern period in particular This Special Issue aims to build on these works and to expand their range both geographically and chronologically This collection focuses on lived

religion and the devotional practices found in the domestic settings of late medieval and early modern Europe More particularly it investigates the degree to which the experience of personal or familial religious practice in the domestic realm intersected with the more public expression of faith in liturgical or communal settings Its broad geographical range spanning northern southern central and eastern Europe includes practices related to Christianity Judaism and Islam This Special Issue will be of interest to historians art historians medievalists early modernists historians of religion anthropologists and theologians as well as those interested in the history of material religious culture It also offers important insights into research areas such as gender studies histories of the emotions and histories of the senses

The evolution of automotive technology Gijs Mom, 2023-05-17 The idea of understanding the present through its history is based on two insights First it helps to know where a technology comes from what were its predecessors how did they evolve as a result of the continuous efforts to solve theoretical and practical problems who were crucial in their emergence and which cultural differences made them develop into divergent families of artifacts Second and closely related to the first insight how does a certain technology or system fit into its societal context its culture of mobility its engineering culture its culture of car driving its alternatives its opponents Only thus by studying its prehistory and its socio cultural context can we acquire a true grasp of a technology The Evolution of Automotive Technology A Handbook Second Edition covers one and a quarter century of the automobile conceived as a cultural history of its technology aimed at engineering students and all those who wish to have a concise introduction into the basics of automotive technology and its long term development ISBN 9781468605976 ISBN 9781468605969 ISBN 9781468605983 DOI 10 4271 9781468605976 2nd Edition

Vision and Visual Perception Duco A. Schreuder, 2014-12-03 Vision is about insight and visual perception is about cognition and they form the foundation of how we see the world Duco A Schreuder a physicist and psychologist explores the finer details of each in this groundbreaking book that explores human consciousness and perception Sharing virtually everything he s learned over a varied career spanning more than sixty years he examines a wide array of topics including how we understand what we visually process how we store and retrieve information the role that neurons play in how what we see and much more While Schreuder isn t afraid to disagree with other leading thinkers he relies on science and focuses on the facts behind it so you can understand lighting visual perception engineering design and applied and experimental physics Looking is about insight whereas seeing is about knowledge and you need to know how each one works to truly understand how humanity views the world Whether you re an illuminating engineer considering the fundamentals of the trade or a student or professional in an allied discipline you ll be well served by taking a closer look at Vision and Visual Perception
