## **Bombshell The Life And Death Of Jean Harlow:**

*Bombshell* David Stenn, 1993 After 56 years Stenn persuaded Harlow's family, friends, colleagues and employers to break their silence and provide previously sealed legal, financial and medical records which solved the mystery of her death. His account is confirmed by scores of exclusive interviews with eyewitness sources. *The Jean Harlow Films* James L. Neibaur, 2019-03-28 One of the powerful icons of 1930s Hollywood film, Jean Harlow died a tragically early death in 1937 at age 26. During her brief career, she delivered memorable performances in such MGM classics as *Red Dust* (1932), *Bombshell* (1933), *Dinner at Eight* (1933) and *Libeled Lady* (1936) among others. Taking a film-by-film look at Harlow's work and her own impressions of her costars and directors, this retrospective traces her growth as an actress from tentative supporting player to top star at a prestigious studio and how her often tumultuous life informed her performances. *Hollywood v. Beauty and the Synchronicity of the Six* Kirk Henderson, 2020-05-04 *Hollywood v. Beauty and the Synchronicity of the Six* presents the biographies of six movie actresses from the 1920s to the 1970s, with a single actress representing her decade of activity: Louise Brooks (1920s), Jean Harlow (1930s), Hedy Lamarr (1940s), Barbara Payton (1950s), Jean Seberg (1960s) and Sondra Locke (1970s). The synchronicity between the lives of these women is phenomenal, and their stories are as dramatic and exciting as any to come from that town, stretching all the way from complete ruination to thrilling triumph. Along the way, the story of movies in the Golden Age unfolds as six movie actresses try to survive in the most artificial place on Earth. The power elite of Hollywood could transform unknowns into movie stars or erase the famous into oblivion. Since beauty has its own innate power, it is inevitable these two entities would face off. *New York Magazine*, 1993-10-18 *New York Magazine* was born in 1968 after a run as an insert of the *New York Herald Tribune* and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea. *In Search of The Thin Man* Philip Zwerling, 2024-02-29 The man who created the boldest, hard-boiled fiction, Dashiell Hammett, wrote *The Thin Man* in 1933 and launched the fun-loving, booze-swilling, mystery-solving couple, Nick and Nora Charles, into American culture. MGM sold millions of movie tickets by casting William Powell and Myrna Loy as this classiest of romantic couples. Over 14 years and six films, these stars navigated grave periods of history: the Great Depression, World War II, and the Cold War. The novel and films live on as gems of a unique, gritty sophistication. This complete history of *The Thin Man* series covers the brightest stars, tastiest scandals, headlines, and conflicts behind these classic films. With a cast of hundreds, we see Hammett, his lover Lillian Hellman, and their friend Dorothy Parker fight alcoholism, sexual convention, and Senator Joe McCarthy in culture wars of eerie contemporaneity. *New York Magazine*, 1993-10-18 *New York Magazine* was born in 1968 after a run as an insert of the *New York Herald Tribune* and quickly made a place for itself as the trusted resource for readers across the country. *The Fixers* E.J. Fleming, 2015-01-28 Eddie Mannix and Howard Strickling are virtually unknown outside of Hollywood and little remembered even there but as General Manager and Head of Publicity for Metro Goldwyn Mayer Studios they lorded over all the stars in Hollywood's golden age from the 1920s through the 1940s including legends like Garbo Dietrich Gable and Garland When MGM stars found themselves in trouble it was Eddie and Howard who took care of them solved their problems hid their crimes and kept their secrets They were the Fixers At a time when image meant everything and the stars were worth millions to the studios that owned them Mannix and Strickling were the most important men at MGM Through a complex web of contacts in every arena from reporters and doctors to corrupt police and district attorneys they covered up some of the most notorious crimes and scandals in Hollywood history keeping stars out of jail and more importantly their names out of the papers They handled problems as diverse as the murder of Paul Bern husband of MGM's biggest star Jean Harlow the studio directed drug addictions of Judy Garland the murder of Ted Healy creator of The Three Stooges at the hands of Wallace Beery and arranging for an unmarried Loretta Young to adopt her own child a child fathered by a married Clark Gable Through exhaustive research and interviews with contemporaries this is the never before told story of Eddie Mannix and Howard Strickling The dual biography describes how a mob related New Jersey laborer and the quiet son of a grocer became the most powerful men at the biggest studio in the world

Elias,2024-11-15 Why would a modern teenager find classic films enthralling This book presents an eye opening tour of how old movies foreshadowed influenced and continue to shape popular culture in many surprising ways From foreseeing today s image dominated social media landscape to ushering rock music into the mainstream and sparking elements of the MeToo movement classic movies remain relevant and inspiring Despite prevailing attitudes that old films are outdated many dramatically broke boundaries around racism and antisemitism They predicted current trends in divorce and sexual relations They helped shape current icons like Taylor Swift and Lady Gaga as well as foreshadowing more sobering events such as the Covid 19 pandemic A Gen Z age cultural critic author Simone O Elias presents an insider s perspective on the socio cultural impact of classic Hollywood films on a modern generation Louis B. Mayer and Irving Thalberg Kenneth Turan,2025-02-04 Kenneth Turan brings to life the extraordinary partnership of Louis B Mayer and Irving Thalberg and their role in creating the film industry as we know it One was a tough junkman s son the other a cosseted mama s boy but they dreamed the same mighty dream that the right movies could make a profit and change both the culture and individual lives Sharing a religion and an evangelical zeal for film Louis B Mayer 1884 1957 and Irving Thalberg 1899 1936 were unlikely partners in one of the most significant collaborations in movie history Over the course of their decade long relationship as key players at Metro Goldwyn Mayer and major players in Hollywood they joined forces in redefining and mastering the template for the film industry Mayer older by more than a dozen years was the business minded face of the studio while Thalberg worked closely with the creative corps especially writers together they rarely set a foot wrong And while Mayer initially viewed Thalberg as the son he never had the two would go from passionate friends to near enemies before Thalberg s shocking death at the age of thirty seven In the first joint biography of the two men in fifty years film critic Kenneth Turan traces their fraught relationship while examining the complicated history of Jewish identity in Hollywood **Whom the Gods Love Die Young** Roy Macbeth Pitkin,2008 **The Art of American Screen Acting, 1912-1960** Dan Callahan,2018-03-08 Some people claim that audiences go to the movies for the genre Others say they go for the director But most really go to see their favorite actors and actresses This book explores the work of many of classic Hollywood s influential stars such as James Cagney Bette Davis Cary Grant and Katharine Hepburn These so called pre Brando entertainers often dismissed as old fashioned were part of an explosion of talent that ran from the late 1920s through the early 1950s The author analyzes their compelling styles and their ability to capture audiences **A to Z of American Women in the Performing Arts** Liz Sonneborn,2014-05-14 Presents biographical profiles of 150 American women of achievement in the field of performing arts including birth and death dates major accomplishments and historical influence **Suicide in the Entertainment Industry** David K. The Routledge Companion to American Film History Pamela Robertson Wojcik, Paula J. Massood, 2025-02-12. Presenting new and diverse scholarship, this collection brings together original essays that explore American film history from a fresh perspective. Comprising an introduction and 34 chapters written by leading scholars from around the globe and edited by Pamela Robertson Wojcik and Paula J. Massood, this collection offers discussions of the American film industry from previously unexplored vantage points. Rather than follow a chronological format as with most film histories, this Companion offers a multiplicity of approaches to historiography and is arranged according to often underdeveloped or overlooked areas in American film, including topics such as alternate archives, hidden labor histories, style, racialized technologies, cinema's material cultures, spectators and fans, transnational film production, intermedial histories, history in and about films, and the historical afterlives of cinema. An exciting collection for serious film studies students and scholars interested in new perspectives and fresh approaches to thinking about and doing American film history.

*Casting Might-Have-Beens* Eila Mell, 2015-01-24. Some acting careers are made by one great role, and some fall into obscurity when one is declined. Would Al Pacino be the star he is today if Robert Redford had accepted the role of Michael Corleone in *The Godfather*? Imagine Tom Hanks rejecting Uma Thurman, saying that she acted like someone in a high school play when she auditioned to play opposite him in *The Bonfire of the Vanities*. Picture Danny Thomas as *The Godfather* or Marilyn Monroe as Cleopatra. This reference work lists hundreds of such stories: actors who didn't get cast or who turned down certain parts. Each entry, organized alphabetically by film title, gives the character and actor cast, a list of other actors considered for that role, and the details of the casting decision. Information is drawn from extensive research and interviews. From *About Last Night*, which John Belushi turned down at his brother's urging, to *Zulu*, in which Michael Caine was not cast because he didn't look Cockney enough, this book lets you imagine how different your favorite films could have been.

From the 1890s on to the 1920s and the Depression and World War II years society's pervasively communal focus demanded idealized images and romanticized interpretations of life. But the communal imperative as it was impacted on by evolving social change harbored the seeds of its own disintegration.
