**"Pouring Jewish Water into Fascist Wine"** Robert Aleksander Maryks,2011-10-28 The aim of this book is to offer the reader a critical edition of the petitions in their original Italian

language that Catholic Jews residing in Italy submitted to the Fascist General Administration for Demography and Race Demorazza in order either to be discriminated i e not subjected to various provisions of Mussolini s racial laws of 1938 or Aryanized i e be considered not of the Jewish race as defined by the convoluted and inconsistent Fascist anti Semitic legislation Anyone born of parents who both were of the Jewish race even though professing a religion other than Judaism was deemed to be Jewish Consequently the racial laws affected not only those Italians who considered themselves Jewish whether secular or religious but also a significant number of Catholics whose ancestors had been Jewish as the majority of the cases contained in this volume show Bonhoeffer Eric Metaxas,2010 Journey into Newness Patrick C.

Heston,2022-08-23 Wilderness periods of our lives those dry and desperate seasons when God seems distant and detached perhaps even indifferent or impotent can seem an abnormal and painful part of our lives that simply must be painfully plodded through and somehow endured Yet far from being something abnormal and life threatening like a cancer invading our bodies wilderness periods represent a fundamental element of our life in the Spirit and part of God s well orchestrated plan to guarantee that we become and possess everything he desires for us **Fit for Battle** Jenny R. Puckett,2011-07-08

The most turbulent period in the history of Wake Forest University 1941 1967 was also the most startlingly productive This era began in eastern North Carolina in the decade of the 1940 s when the school came perilously close to extinction but it fought to survive In 1946 a stunning offer to revive the school was accepted but Wake Forest knew that the massive changes ahead would require a type of leader as yet unseen in its 116 years of existence In 1950 a singular man was chosen to build a new campus and lead the march westward transplanting the entire campus from rural Wake County North Carolina to the bustling city of Winston Salem Those who knew this man are still telling stories about him Harold Wayland Tribble was the man who would keep Wake Forest in the forefront of the local and national news reports for decades and whose public disputes ignited passionate reactions from across the state and nation His life story as told to the author by his family members his personal papers friends rivals and other sources was as fascinating as were the changing times during which he served Wake Forest This volume contains numerous untold stories of a controversial leader who fought many battles on behalf of the people and institutions that he loved **Lilies That Fester** John Bossert Brown,2022-12-20 The twentieth century promised much in terms of progress Europe was at peace and America was poised to become a world superpower Certain religious leaders envisioned new programs to help the poor while others pondered plans to evangelize the world Protestants in America were divided over issues such as biblical authority and social programs but there was a surface unity and a widespread agreement shared with Catholic and Orthodox Christians about the sanctity of human life an ethic rooted in the Bible and church history Seventy nations responding to medical advances in obstetrics fetology and a growing concern for women s health had moved to prohibit abortion Today 120 years later there is a deep division among Christians and in American society about abortion and much else The causes are no doubt complex but several things are clear Worldwide

there have been over one billion unborn children destroyed by abortion There have been seventy three million unborn children destroyed by abortion in the United States over half of them to women who identify as Christians In a century of massive violence due to war planned famines mass executions and terror abortion reigns supreme That the Judeo Christian ethic of the sanctity of life has been shredded owes much to the scandal of Christian discipleship
