ACTORS GUIDE

The background image is a dark, atmospheric composition. In the center, a computer monitor displays a close-up of a woman's face. Overlaid on the face are thin white lines and small circles, resembling a technical or medical diagram. A small, dark, insect-like figure is perched on the left side of the monitor. Above the monitor, a small, brown, humanoid figure stands on a thin wire. To the right of the monitor, a glowing, translucent skull sculpture is visible, with light emanating from its eye sockets. The overall scene suggests themes of technology, artificial intelligence, and the human condition.
