Studies in Intelligence ,2004 *Development of the Constitutions in China and the Visegrad States* Lu Da,2021-08-30

This book deals with the development of constitutional law in China and Visegrad states by employing a comparative perspective It is the first time that the researcher compared the constitutional development in the China and the Visegrad states It offers a few glimpses of development of constitution in the former socialist states to readers who are interested in the constitutional law or China V4 relations With the increased cooperation between China and V4 countries this book gives the undergraduates in the university to think about the BRI and 17 1 network from a Chinese perspective Last compared to the previous works which mainly focus on North America and or Western Europe this book provides a new angle on comparative constitutional law American Book Publishing Record ,2001 **Forthcoming Books** Rose Army,2000
