[Bonhoeffer's Christocentric Theology and Fundamental Debates in Environmental Ethics](#) Steven C. van den Heuvel, 2017-05-04 There is widespread understanding of the close connection between religion and the ecological crisis, and that in order to amend this crisis, theological resources are needed. This monograph seeks to contribute to this endeavor by engaging the theology of Dietrich Bonhoeffer. His theology is particularly suitable in this context due to its open-ended nature and to the prophetic and radical nature of the questions he was

prepared to ask that is why there are many other attempts to contextualize Bonhoeffer's theology in areas that he himself has not directly written about In this monograph Steven van den Heuvel first of all addresses the question of how to translate Bonhoeffer's theology in a methodologically sound way He settles on a modified form of the general method of correlation Then secondly van den Heuvel sets out to describe five major concepts in Bonhoeffer's work bringing these into critical interplay with discussions in environmental ethics and eco theology In making the correlations he thoroughly describes each concept situating it in the historic and intellectual background of Bonhoeffer's time He then transposes these concepts to contemporary environmental ethics describing what contribution Bonhoeffer's theology can make *Bonhoeffer, Christ and Culture* Keith L. **For a Better Worldliness** Brant M. Himes,2018-09-27 For a Better Worldliness is not only a statement of Abraham Kuyper s and Dietrich Bonhoeffer s theological concept and historical practice of discipleship It is also and perhaps more importantly a call to engage in the fullness of the Christian life here and now While this book goes to great efforts to establish sound historical and theological insights specifically in regards to Kuyper and Bonhoeffer there is a strong underlying current that these particular insights deeply matter to the life of discipleship in the world today History shows us that discipleship is not a singular journey because of Jesus Christ it is not a description of one set path with one set of guidelines A disciple can be a prime minister who unabashedly and successfully campaigned on his Calvinistic principles just

as he can be a participant in a coup d'état launched against a tyrant leading to the disciple's own imprisonment and death. Jesus Christ calls whether to the height of political office or to the dank prison cell or more likely for us to somewhere in between.
